Firework Sales Conditions

- 1) State law governs the types of fireworks sold.
- 2) A permit is required to sell fireworks within city limits.
- 3) Location of firework sales must be approved by the Fire Marshal.
- 4) Fireworks can only be sold where allowed by zoning laws.
- 5) Unlimited access for inspections of products being sold or those products in storage is required.
- 6) If uncertain if a firework meets the guidelines of the State Law, a demo of the product may be required.
- 7) If for any reason the Fire Marshal deems the sales as being hazardous due to location, building type, proximity to other combustibles, or general hazards, the permit can be revoked.
- 8) This permit is an annual license valid from May 1st to April 30th of each year. The fee is not prorated.
