SUBJECT: Section of West First Street to close for gas main repairs

BY: Pakou Ly

Section of West First Street to close for gas main repairs

The City of Duluth will be closing the section of West First Street between Mesaba Avenue and 6th Ave West starting September 7, 2010. Crews will be installing a new gas main and the work is expected to take approximately two weeks. Detours will be posted.

The City thanks the public for their patience during this temporary closure.
