SUBJECT: City to start snow removal from downtown streets

BY: Pakou Ly, Public Information Coordinator

City to start snow removal from downtown streets

The City of Duluth street maintenance crews will be clearing the snow piles that have accumulated on downtown Duluth streets from recent snowfalls. Crews will start snow removal efforts Monday, January 10, 2011 at 2:00 AM and continue for several days working on Superior Street and the avenues below Superior Street to Michigan Street, from 6th Avenue West heading eastward. Once completed, crews will relocate and focus snow removal efforts in West Duluth.

The public is advised to remove vehicles from the street by Sunday morning January 9, 2011, at 2:00 AM. Cars obstructing snow removal efforts will be ticketed.
