SUBJECT: Public invited to discuss 10th Ave East Reconstruction Project

BY: Pakou Ly, Public Information Coordinator

Public invited to discuss 10th Ave E Reconstruction Project

[Duluth, MN] - The public is invited to attend a public meeting for the upcoming reconstruction of 10th Avenue East. Construction is scheduled for the summer of 2013, and the project will include full reconstruction of utilities and the street on 10th Avenue East from Superior St. up to 9th Street.

This project will be funded by City utility funds, Federal and State Aid funds, and by special assessments to benefited properties. Details of these assessments will be included in future public notifications.

The public meeting will be held at the Grant Community Center (901 East 11th Street) on Wednesday, February 15, 2012 at 6:00 PM. A short presentation will be followed by small group discussions. Discussions will be limited to the roadway section and features to be included in the reconstructed road.

If you have any questions or cannot attend the meeting, please send written comment by email to Project Engineer Matt Decur at mdecur@duluthmn.gov by March 1, 2012.
