DATE: 07/09/2013
SUBJECT: Rain Garden Workshops Available
BY: Amy Norris, Public Information Coordinator

Rain Garden Workshops Available!

The City of Duluth is excited to partner with Minnesota Sea Grant and the Regional Stormwater Protection Team (RSPT) to offer two rain garden workshops to area residents.

Rain gardens are a beautiful addition to a yard or landscape, and provide an important stormwater management practice that can reduce the volume of stormwater runoff as well as improve water quality. Rain gardens may even help reduce your monthly stormwater utility fee!

Each workshop will take place over two evenings from 6-8pm. Registration is \$25. The workshop dates are July 24-25 and August 7-8.

For more information please contact Cristina Villella at 218-726-8106 or ville034@umn.edu

For additional information regarding this release please contact Program Coordinator Chris Kleist at (218) 355-0598.
