SUBJECT: City crews on scene fixing water main break in Hunter's Park neighborhood

BY: Kate Van Daele, Public Information Officer

City crews on scene fixing water main break in Hunter's Park neighborhood

[Duluth, MN] At 5:25 p.m., City of Duluth Utility Operations crews were notified of a possible water main break located at Arrowhead Road and Dunedin Avenue. Reporters saw water flowing from under a snowbank into the street. On arrival, crews confirmed that a break had occurred. Crews are on-scene and will be fixing the break tonight. Work will take several hours to complete.

Residents in the Hunter's Park and Woodland area are not expected to notice low water pressure because of the break. Crews are working as quickly as possible to complete the project.
