SUBJECT: Crews on-site at third water main break of the day

BY: Kate Van Daele, Public Information Officer

Crews on-site at third water main break of the day

[Duluth, MN] For a third time today, City of Duluth Utility Operations crews are on-site at a water main break. The break is located at North 14th Avenue East and East 10th Street. Crews are on-site and will begin work as soon as they can. A lane of traffic may be closed due to ensuring the safety of staff while working. It is unknown how long it will take to fix the break; however, teams will work until they can restore the water to those in the area.
