**City of Duluth to host public meeting regarding upcoming West Superior Street reconstruction project on March 7**

[DULUTH, MN] The City of Duluth is inviting the community to an open house on Tuesday, March 7, 2023 regarding the reconstruction of West Superior Street between Carlton and West Michigan Streets. This open house is intended to introduce the project to the community and begin to gather information about how the corridor is used and what opportunities exist to improve it as part of the project.

The City of Duluth will host this open house on Tuesday, March 7, 2023 from 4:30 pm to 6:30 pm at the Lincoln Park Community Center Conference Room, Door 1 (2014 W 3rd Street, Duluth, MN).

Project design and engineering will occur through 2024, with construction scheduled to take place from 2025 to 2028. Funding for the project will come from a Rebuilding American Infrastructure with Sustainability and Equity (RAISE) federal grant, Municipal State Aid for Streets, and utility funds.

The scope of work for the project includes:

- Full reconstruction of the roadway and utilities.
- Traffic signal study and recommendations.
- Stormwater drainage and infrastructure improvements.
- Street lighting replacement and improvement.
- Pedestrian improvements.
- Multimodal improvements for cyclists and other lightweight human- and electric-powered devices.

There will not be a formal presentation during the open house. Community members are invited to attend at any time that is convenient for them. City staff and the design team will be available to discuss the project and gather feedback throughout the meeting.

If you cannot attend the meeting but would like to follow the project and/or provide feedback, please visit the project website at [westsuperiorstreet.com](http://westsuperiorstreet.com). Alternatively, you can also reach out to the City's Project Engineer Alex Popp, PE at [apopp@duluthmn.gov](mailto:apopp@duluthmn.gov).
