**SUBJECT:** City of Duluth provides update on snow operations: Saturday, 1/6/24, 4:30 PM

**BY:** Kelli Latuska, Public Information Officer

## **City of Duluth provides update on snow operations**

**Saturday, January 6, 2024 | 4:30 PM**

[DULUTH, MN] Snowfall has subsided considerably as of this afternoon, and snow operations crews continue to work on residential streets and alleys to clear snow and ice. The City of Duluth will be running full operations until 6:30 PM today, at which time most staff will take a well-deserved rest. We'll still have a couple of trucks on duty to continue the work into the late-night hours, and will have a fuller crew again in the morning to work on cleaning up any snow left on roadways. Our thanks to our street maintenance staff for their hard work through this and all snow events.

Residents can do their part in helping with street maintenance operations by remembering to get out and move their cars on Sunday between 4pm and 8pm from to the odd side of the road. For information about alternate side parking, please visit <https://duluthmn.gov/media/c3qfqwg4/parking-calendar.pdf>.

For more information on our snow and ice policy, please visit <https://duluthmn.gov/snow/>.

The City would also like to remind residents and businesses to lend a helping hand to their neighbors in need as they remove snow from their sidewalks. Safe sidewalk access is crucial to pedestrians, folks pushing strollers, and people using wheelchairs and mobility devices as they move about to errands, appointments, and the like. Removal of sidewalk snow within 24 hours of a snow event's end helps our residents maintain safe mobility. For snow shoveling info, please visit <https://duluthmn.gov/snow/snow-shoveling/information/>.

The City thanks residents for their patience and understanding as crews work to maintain

roads during and after snow events. Please stay safe while traveling.
