## **Clean and Green Kickoff Press Conference Cancelled Today Due to Snow.**

The City of Duluth Parks and Recreation's Clean and Green week and Let's Grow Lincoln Park initiative press conference is cancelled today due to snow.

We will reschedule the ribbon cutting ceremony and public launch of Lincoln Park's new "Emerald Community Garden," a project of the *Let's Grow Lincoln Park* initiative when the weather more cooperative.

While Clean and Green Week officially runs April 8 to 14, cleanups and "green"ups will be happening throughout the spring. Community groups, school groups, youth organizations and others are still encouraged to register to help with this annual community spring cleaning event.

For more information call Cheryl Skafte, Volunteer Coordinator for the City of Duluth at **218-730-4334** or email Jesse Meehl at [jmeehl@DuluthMN.gov](mailto:jmeehl@DuluthMN.gov).
