

**50-17.2 Industrial-General (I-G).**

**A. Purpose.**

The I-G district is intended to provide for general- to heavy- impact industrial, processing, assembly, fabrication and manufacturing uses. Office uses are allowed provided they are clearly incidental to and supportive of on-site industrial uses, as shown in Table 50-19.8. The district is intended primarily for locations close to major transportation corridors and active commercial centers. This district should be located away from residential development;
