

Community Clubs

The City of Duluth has Community Clubs located throughout the city. The community clubs serve a variety of functions including- meeting/assembly space, warming house for winter activities and senior nutrition programs. Some of the locations are also used as polling places during elections. The level/frequency of use varies by location and time of year.

Common amenities provided in the community clubs include large open meeting/assembly rooms, toilet rooms, locker/team rooms and kitchens. Unless the kitchen is a commercial kitchen used only by employees, it does not meet the exception for 'employee work area' so it is required to be accessible.
