Public Meeting to Discuss Shared Use Ski Trail in Chester Bowl Park

[Duluth, MN] - The public is invited to attend a meeting regarding progress of the shared use cross-country ski trail at Chester Bowl that is currently under study during winter of 2017-2018. This is the second of two public meetings. The purpose of this meeting is to provide an update of the on-going trail use survey, share observations from on-site monitoring, gather public input, and answer questions about the cross-country ski trail.

The public meeting will take place on: **Wednesday, March 21st**

5:30-6:30 p.m.

Chester Bowl Chalet

1801 E Skyline Pkwy

Duluth, MN 55812

These meetings provide the public with an opportunity to learn more about the current use of the cross-country ski trail at Chester Bowl, while also providing input. The result of this public process will be to bring a formal recommendation for the Chester Bowl cross-country ski trail to the City Council as outlined in the Chester Park Mini-Master Plan.

The public is encouraged to submit their feedback by completing an online survey available at <https://www.surveymonkey.com/r/chesterbowlskitrail>

Please direct questions to Andy Holak, Trails Coordinator, at 218-730-4300 or aholak@duluthmn.gov.
