**Like stomping on snow? Become a Snow Stomper!**

[Duluth, MN] Like stomping on snow? The City of Duluth Parks and Recreation division needs your help! Back by popular demand, the Snow Stompers program uses volunteers to pack down trails making them more accessible for users during the winter. By packing the trails, users who do not have snowshoes or need a more stable surface, are provided with more options to get out in nature. Snowshoes are available for volunteers to checkout for free for the winter season. Trail sections in need of stomping are listed below.

For questions or to sign up visit [www.duluthmn.gov/parks.register](http://www.duluthmn.gov/parks.register) and click the volunteer opportunities tab. This opportunity will remain open until all of the slots have been filled.
