IMAGINE DULUTH 2035

FORWARD TOGETHER

Duluth's Vision: Duluth's unique physical beauty and diverse cultural environment create our competitive advantage. Our people will work together, with respect for each other, to ensure that development is consistent with Duluth's character as an urban wilderness; as a welcoming and safe place to live offering high-skilled, quality employment; and where every resident has opportunities to thrive and succeed.

What's Your Vision of Duluth?

Attend a Community Forum

Throughout the summer Community Planning staff will be engaging in discussions all over the city at events and gatherings. If you have an event that you'd like us to be present at, let us know! Find our table and let us know what you think about your neighborhood, your vision for Duluth, or ideas you have for future development!

What is a Comprehensive

The Comprehensive Plan is the City's road map for development, the delivery of public services, the layout of public infrastructure and the preservation of our natural beauty and open spaces. This plan guides all that the City provides and oversees for the residents of the Duluth from the location of job centers to residential sites along with park development and where streets, buses and trails are all located that connects all of this together.
