**Addendum 1**
**Solicitation 24-99847**
**Shopper's Ramp Demolition and Shoring of New Garrick Building**

This addendum serves to notify all bidders of the following changes to the solicitation documents:

The following question has been received and is answered in *italics* below.

1. Our company is a plan holder for the above referenced project, we also attended the bid meeting on 12/3/2024 at 3:00 pm. We, along with all other attendees, were unable to view/walk the demolition site. We were told that the locks were changed and they did not have a key. Will there be an addendum for the project extending the due date and time so that all participating plan holders may get a chance to view said project?
    a. *We will not be offering a bid extension, however staff will be available to provide access to the site between the hours of 12PM and 4PM on Friday, December 6th and between the hours of 8:30AM and 4PM on Monday, December 9th. Please contact Kooper Andringa (218-393-3263) to request access during those times.*

Please acknowledge receipt of this Addendum by checking the acknowledgement box within the www.bidexpress.com solicitation.
