Site Visit for Spirit Mountain Recreation Area- Mountain Bike Trail Solicitation

The City of Duluth, Minnesota intends to solicit bids for the construction of an approximately 1-mile “Black Downhill-Flow-Based Jump Line” mountain bike designated trail at Spirit Mountain Recreation Area.

The solicitation for construction bids will be within the next three months. Interested bidders are strongly encouraged to visit the site prior to snowfall to get a sense of the project corridors. A group site visit is scheduled for Thursday, November 2nd at 2:30pm central time. Visitors should meet at the Spirit Mountain Grand Avenue Chalet, 8551 Grand Ave, Duluth, MN 55808 at the lower chalet side door by the ski lift.

Please RSVP to this event so we can make appropriate accommodations. Interested bidders who are not available at that date and time or wish to view the site at another time should contact Jim Shoberg at (218) 208-9632 or jshoberg@duluthmn.gov. While visits may be earlier or later than the time of the group visit, sooner is better to ensure a visit without snow-covered ground.
