Addendum # 1
Solicitation # 24-99094
Lead Water Service Replacement – Lower Lincoln Park (West)

This addendum serves to notify all bidders of the following changes to the solicitation documents:

The following provides clarification on the Workforce Certificate and Equal Pay Certificate requirements of this project:

The Workforce Certification is required to be submitted prior to or with the Contractor's bid. The Equal Pay Certificate will be required to execute the contract to the awarded bidder, but is not required at the time of the bid. If the Contractor believes it is exempt from these requirements, the Contractor should complete and upload a Workforce and Equal Pay declaration form in lieu of a Workforce Certificate. The declaration page can be found at the following link, entitled "**SWIFT: Workforce and Equal Pay Declaration Page**": https://mn.gov/mdhr/certificates/forms-worksheets/ The Minnesota Department of Human Rights will review and verify if the vendor is eligible for an exemption. If they determine that the vendor is not eligible for an exemption, the vendor would be directed to apply for the necessary certificates, and all contract execution would be on hold until the vendor has secured certification. Vendors who are not able to supply either an approved exemption or a Workforce Certificate and Equal Pay Certificate within 15 days after the bid deadline may have their bids deemed non-responsive.

Please acknowledge receipt of this Addendum by checking the acknowledgement box within the www.bidexpress.com solicitation.
