**Temporary closure to portion of W Third Street underway for utility work**

[DULUTH, MN] Contractors performing work for the City of Duluth have closed the 2800 and 2900 blocks of W Third Street in Lincoln Park to facilitate water service replacements.

Beginning today, July 22, westbound Third Street will be closed from 28th Avenue W to Devonshire Street. The closure includes both the westbound travel lane as well as the parking lane. A temporary stop sign has been installed and a posted detour will direct all westbound traffic south on 28th Avenue W to First Street, Truck Center Drive, and Chestnut Street. Eastbound traffic will be able to remain on Third Street and will only need to obey the temporary stop sign in place at 28th Avenue W.

The temporary closure will be in place throughout the week, and the road is anticipated to reopen to traffic by the end of the week.

Drivers should be advised that additional closures will be forthcoming throughout the duration of this Lincoln Park-centered project. Some travel delays are likely in the neighborhood.
