**Portion of Superior Street to temporarily close to allow for utility repair Monday, September 16**

[DULUTH, MN] City of Duluth utility operations will perform a water main repair on Monday, September 16 that will necessitate the temporary closure of the portion of Superior Street between 14th and 15th Avenues East. The closure will be in place at 7:30 AM on Monday and is anticipated to end late that afternoon. Water service may be interrupted to allow for the repair to those receiving service from the impacted main.

Commuters should plan to follow the signed detour around the impacted section of Superior Street.

The City of Duluth would like to thank those affected for their patience during this time.
