Annual, seasonal closure for Seven Bridges, Maxwell Roads and others soon underway

[DULUTH, MN] Portions of Skyline Parkway, Maxwell Road, and Seven Bridges Road will close to motorized traffic Monday, December 2. This planned, annual seasonal closure will last the winter season. These roads will open to motorized traffic again next spring when conditions allow.

The portions of roads closing for the winter include:

- Skyline Parkway from 0.4 miles east of Glenwood Street to Maxwell Road
- Seven Bridges Road from Lakeview Chalet to Maxwell Road
- Maxwell Road from Skyline Parkway to Oak Street

These three road segments are located at the east end of Skyline Parkway, generally from Lakeview Chalet on Seven Bridges Road to the Hawk Ridge overlook.

A portion of West Skyline Parkway, from 0.3 miles south of 100th Avenue W to the far western city limits, was closed earlier for the season.
