**West Superior Street ramp to I-35 temporarily closed for pavement restoration work**

[DULUTH, MN] The City of Duluth has closed the West Superior Street ramp so that contractors may perform pavement restoration work.

The eastbound detour runs from Mesaba Avenue to W First Street, to Sixth Avenue W. The westbound detour is from W Superior Street to Sixth Avenue West, and then south on Mesaba Avenue.

The closure is anticipated to last through June 13. The detours may cause significant travel delays for drivers heading south out of downtown. Commuters may wish to alter their travel plans to avoid delays.
