City of Duluth Parking Services offers a limited package of complimentary parking dates in select ramps

City of Duluth Parking Services offers a limited package of complimentary parking dates in select ramps

[DULUTH, MN] The City of Duluth's Parking Services division is offering a select number of complimentary parking days at select ramps over the next few weeks.

"By offering these free parking days in these public parking ramps, we're hoping to refamiliarize folks with the ramps and their newly-installed access control systems, which are enhancing the safety and cleanliness of these ramps," said Parking Services Manager Mark Bauer.

The Lakeview Medical District Ramp, Technology Village Ramp, and HART District Ramps will all participate. Free days are as follows:

- Saturday, November 29 (Small Business Saturday)
- Thursday, December 4
- Thursday, December 11, and
- Thursday, December 18

"We are pleased the City will be offering this opportunity for free parking at the three ramps," said Kristi Stokes, President of Downtown Duluth, LLC. "It's a chance for our customers to better understand the new technology and to see the improvements since the ramps have been secured. They are cleaner, safer and easy to use. Some of our busiest days ahead are Small Business

Saturday and the holiday shopping season. Here's one more convenient way for visitors to enjoy their stay without rushing to pay a meter."
