**SUBJECT: 2019 Annual Rose Tipping Event Scheduled for October 24 and October 26**

**BY: Kate Van Daele, Public Information Officer**

---

**2019 Annual Rose Tipping Event Scheduled for October 24 and October 26**

[Duluth, MN] - The public is invited to join Duluth Parks staff and the Lake Superior Rose Society in the annual Tipping of the Roses at the Leif Erikson Park - Rose Garden. The open, community events will be held on **Thursday, October 24, 2019** between 1:00-6:00 p.m. and **Saturday, October 26, 2019** from 9:00 a.m. - 12:00 p.m.

\*\* Volunteers do not need to be available for the entire time on Thursday, October 24. However, all volunteers are asked to please arrive no later than 4 p.m. \*\*

Whether you are experienced at the task or just want to learn, expert rose tippers will be on hand to teach volunteers the *Minnesota Tip Method*, a process that protects tender roses from the harsh conditions of a typical Duluth winter.

Rose Tipping is an "all ages, no experience needed" event. Groups, families, and individuals are invited to attend. If you are interested in participating, please arrive at the Rose Garden, located between 12th and 13th Avenue East on London Road, on the specified dates. Check-in with Duluth Parks staff. On street parking is available as well as in the parking lot located just east of the Rose Garden. Dress for the weather. All tools and supplies will be provided, including work gloves.

Time and dates are subject to change due to weather conditions. Volunteers are encouraged to register at <https://duluthmn.gov/parks/volunteer/volunteer-calendar/> to ensure you get the latest information.

Please visit our DuluthParksMN Facebook page or contact Cheryl Skafte at 218-730-4334 or [cskafte@duluthmn.gov](mailto:cskafte@duluthmn.gov) for up-to-date information on the Rose Tipping events.

**Bagged Leaves Accepted for Limited Time Only**

Community members are invited to drop-off **clean and tied up** garbage bags of leaves at the Rose Garden. A designated section of the parking lot will be blocked off for the donations. Due to new matting being used to winterize the roses, there is a more limited need for bagged leaves. As soon as enough bags have been collected, the City will close the drop off site. The clean and tied garbage bags must only contain raked leaves and should not contain other plant or yard waste material.

Yard waste does not belong in the trash. You may also drop off your leaves, grass clippings and garden waste for free at WLSSD's Yard Waste Compost site. Brush, dirt and sod can also be disposed for a fee at the site. The Yard Waste Compost site is located on Courtland Street off Interstate 35 at 27th Avenue West. For hours and fees, please visit WLSSD's website at [wlssd.com](http://wlssd.com) or call 218-722-0761.
