SUBJECT: City of Duluth to begin work to upgrade stage at Chester Park

BY: Kelli Latuska, Public Information Officer

City of Duluth to begin work to upgrade stage at Chester Park

[DULUTH, MN] The City of Duluth crews will begin demolition work in the coming weeks to remove the existing stage at Chester Park to allow for construction of a new, ADA compliant stage. Use of the park will not be affected, but users of the park should remain clear of the direct area of work.

The new ADA compliant stage will be installed in 2026.
